

Petition in support of Bill C-238

An Act to amend the Criminal Code
(possession of unlawfully imported firearms).

WHEREAS

- Smuggled firearms make up a significant portion of the firearms used in crime across the country.
- Criminals caught in knowing possession of smuggled firearms are a threat to public safety but often receive light sentences and are quick to obtain bail.
- Bill C-238 would increase sentences for those caught in knowing possession of a smuggled weapon and make it more difficult for those charged to be released on bail.

We, the undersigned (*Identify the petitioners in general terms, for example: citizens and residents of Canada call upon the House of Commons to:*

- *Support and vote to pass Bill C-238 An Act to amend the Criminal Code (possession of unlawfully imported firearms).*
- Support more action being taken to stop the flow of illegal firearms over the border.
